## Term 2

In Term 2, there are many exciting opportunities for all music students to perform for parents, family and friends.

Mrs Tremayne and Mrs Abercromby, together with the Fahan Friends of Music, look forward to showcasing the musical talents of our students through a wide variety of concerts and performances.

We encourage you to support the girls by attending these events and inviting your family and friends to enjoy the music of Fahan School.

The Fahan Winter Concert, to be held in July, will involve all the choirs, orchestras, and school ensembles. This will be a wonderful evening where students from beginning learners to experienced musicians will perform for parents and friends. A full program of varied musical genres will be presented.
